Dear Shehij

Ethics application reference number: 10055-11464

Project title: Individual Project - Improving Comic Creation by Image Generation Models

The above application has been considered in line with the University of Bath ethics review processes. Please accept this letter as confirmation that no further review is required by any other Committee or Board.

The following documents were reviewed:

Document Type	File Name	Date	Version
H1 Other documentation	Form	10/03/2025	1.0
C2.5 Consent forms	Consent Form	10/03/2025	1.0
C1.7 Participant information sheets	Participant Information	10/03/2025	1.0
C1.5 Recruitment materials	message	10/03/2025	1.0

You can view the application and any reviewer comments here: <https://ethics.bath.ac.uk/Project/Index/10721>

Your project can now start and data collection can commence.

If there are any changes to this project (including amendments to the design, sample, or start/end dates etc.), you will need to submit an amendment.

Should your research require any other approvals (e.g. export control licences, visas, DBS, letters of access/comfort, country specific requirements, etc) please ensure that they are all in place before your project starts.

Kind regards,

Prof Peter Hall
